Re: NCACLEA Award Nominations

It is no secret to us that the members of our staffs provide invaluable and often underappreciated services to our campuses. They work hard each and every day to make our campuses safe, and our Association takes great pride in being able to recognize officers who have performed exceptionally through the NCACLEA Awards Program.

Each year, recommendations are solicited for consideration for individual awards for **Valor**, **Life Saving**, and **Commitment to Excellence**. Nominations for this year's awards are now being accepted, and should be made on the recommendations form included, and returned to me at the address included on the form by November 17, 2017. Nominations will be reviewed by the Awards Committee, and those approved will be presented at our Winter Conference on January 25, 2018, at WTCC Main Campus in Raleigh, NC

Please consider nominating officers who meet the criteria for these awards, and I look forward to seeing everyone in Raleigh.
